Caterpillar Inc. or any of its subsidiaries ("Caterpillar") warrants new and remanufactured parts and assembled components sold by it for use in on-highway vehicle transmissions and engines to be free from defects in material and workmanship.

This warranty does not apply to new or remanufactured transmissions or engines, or Caterpillar brand batteries. These products are covered by other Caterpillar warranties.

This warranty is subject to the following:

#### Warranty Period

The warranty period is 12 months, starting from date of purchase to the first user.

#### Caterpillar Responsibilities

- Provide (at Caterpillar's choice) new, remanufactured or Caterpillar-approved repaired parts or assembled components needed to correct the defect, including all transmission or engine parts damaged as a result of the defect.

Note: Items replaced under this warranty become the property of Caterpillar.

- Replace lubricating oil, filters, coolant and other service items made unusable by the defect.
- Provide reasonable or customary labor needed to correct the defect, including labor to disconnect the product from and reconnect the product to its attached equipment, mounting and support systems, if required.

#### User Responsibilities

The user is responsible for:

- Providing proof of original purchase.
- The costs associated with transporting the product or vehicle in which the product is installed.
- Labor costs, except as stated under "Caterpillar Responsibilities".
- Parts shipping charges in excess of those which are usual and customary.
- Local taxes, if applicable.
- Costs to investigate complaints, unless the problem is caused by a defect in Caterpillar material or workmanship.
- Giving timely notice of a warrantable failure and promptly making the product available for repair.
- The cost of repairs made to items other than the transmission or engine in which the parts or assembled components were installed.

- Allowing Caterpillar access to all electronically stored data contained in the Electronic Control Module (ECM) attached to the transmission or engine on which the part or component is installed.

#### Limitations

Caterpillar is not responsible for failures resulting from:

- Any use or installation which Caterpillar judges improper.
- Attachments, accessory items and parts not sold or approved by Caterpillar.
- Abuse, neglect and/or improper repair, including installation of parts and assembled components in contaminated systems.
- User's delay in making the product available after being notified of a potential product problem.
